

Birdies for Charity

Want to be part of the 2017 Waste Management Phoenix Open?

You don't even have to know how to play golf!

You're invited to participate through the Tournament's 'Birdies for Charity' program

(in association with the Thunderbird's Charities, The Waste Management Phoenix Open and Birdies for Charity)

By participating, you will be making a donation to ACYR – Arizona Call-A-Teen Youth Resources, Inc.

ACYR

Birdies means
BUCKS
for local
charities!

The program centers around the PGA TOUR professionals making birdies – lots of them – during the tournament.

In recent years, PGA TOUR professionals have averaged about 1,500 birdies during tournament play. The Waste Management Phoenix Open and Thunderbirds Charities are giving ACYR the opportunity to generate funds from this fun promotion...and ACYR gets to keep every cent!

Questions? Call 602-252-6721 x 206

Here's how it works...If you pledge one penny for every birdie made, your pledge would amount to \$15. If you pledged two cents per birdie, it would be \$30. Simple! Plus, as an added bonus, Thunderbirds Charities will match 15% of the total amount of pledges we collect.

Who receives your pledge? WE DO! ACYR! Every dollar pledged comes right back to ACYR. With this in mind, we ask that you help us maximize this fundraising opportunity.

How to make a pledge?

1. Complete the pledge form accompanying this announcement, then send to ACYR
2. Donate online at: www.birdiesforcharityaz.com, click on 'make a pledge' then select ACYR.
